READY-TO-WEAR GOODS ON SALE AT THALHIMER'S In the ready-to-wear department at Thal-himer's you can find almost anything that you might ask for. New dresses for garden parties, street and afternoon wear, hand you might ask for. The long cases are lined with beautifully colored and novel costumes, and every fabric and every style bears evidence of fashion's royal favor. One of the most attractive designs shown there is a soft satin gown of striped apricot color. It is an exceedingly quaint affair. The walstline is very high with a pleated heading, finished with a wreath of queer-colored flowers, and the bodice is of shadow face and fillusion. No trains are shown on any of the dresses this year; everything is round length to suit the styles they represent. Another interesting frock is of black taffets motre with a pleated drapery of French blue silk and a big low of the same at the back. The drapery and sash in the back hangs straight from the shoulder. The bodice is formed of embroidered black chiffon over white and a spray of American Beauty bads at the belt is a very effective touch to this stunning gown. A maize-colored chiffon gown, Imported by Thaihimer's, is quite attractive. It has the Russian tunte scalloped with an edge of white sattn, and the simple lines of ribbon, fastened with a fancy black jet.
